OVERVIEW

Omniwise Synergy Sdn. Bhd. was incorporated in October 1994 with the vision to develop and expand active Bumiputera participation in the construction and engineering industries. In the early days, as a young company, Omniwise Synergy Sdn. Bhd. principle area of business evolved with agriculture and general trading. In 1995, the company was restructured to include qualified and experienced professionals in the management field and has since ventured into a wider area of specialties in construction and manpower management.

Omniwise Synergy Sdn. Bhd. is headed by a highly experienced management team with strong human resource and logistics management knowledge, backed by a dedicated operation team and highly experienced directors, all of whom put together, have more than 50 years' experience in the industry. We have foreign partners and manpower management recruits top quality skilled and non-skilled foreign manpower to suit any job requirements. With our partnerships with the nation's leading agencies, to date we have successfully supplied thousands of foreign workers to the airports and ship maintenance centers at Pasir Gudang and Pelabuhan Tanjung Pelepas, Johor.

OMNIWISE INTERNATIONAL

CORPORATE ADVISORS

CORPORATE ADVISOR **DATUK ISKANDAR SARUDIN** **DIRECTOR**

BA (Hons) in Art and Social Science
University of Malaya, Malaysia

PROFESSIONAL EXPERIENCE:

Datuk Iskandar graduated with BA (Hons) in Art and Social Science. He also pursued to enter in the Malaysia Civil Service (MCS) with a Diploma in Public Administration from the Malaysian Institute of National Administration (INTAN) in 1979. He was first appointed as Assistant Secretary in the Ministry of Foreign Affairs in 1979. In 1981, he was attached for 3 months at the Malaysian Permanent Mission in New York, USA as part of the Ministry's training program for young diplomats. In 1983, Datuk Iskandar was appointed as Second Secretary at the Malaysian Embassy in Jakarta, Indonesia. Jakarta is one of the most important Malaysian diplomatic missions in the ASEAN region especially on bilateral relations between Malaysia and Indonesia.

Having completed his posting in Jakarta, he was then transferred to Lagos, Nigeria as First Secretary and Head of Chancery and Deputy High Commissioner at the Malaysian High Commission in Lagos. Nigeria is the most important country in West Africa and is also the most populated nation in the African continent. The Malaysian High Commission in Lagos is also accredited to Ghana.

Datuk Iskandar completed his posting tenure in Nigeria in 1988 and returned to Malaysia to take up the post of Principal Assistant Secretary in the Organizing Secretariat of CHOGM (Commonwealth Heads of Government Meeting). Malaysia hosted CHOGM in 1988 which is the biggest political event held in Malaysia since her independence. From 1989 to 1990, Datuk Iskandar was the Principal Assistant Secretary for political desk in charge of Sub Continent countries including India, Pakistan, Bangladesh, Sri Lanka, Nepal, Bhutan and Maldives.

In 1990, he was tasked by the Ministry to establish the Malaysian Embassy in Santiago, Chile in South America. He served as Charge de Affairs/Councilor/Head of Chancery and later Deputy Ambassador of the Malaysia Embassy in Chile, and extended to include Colombia, Ecuador and Peru. He served in the mission until 1995.

In 1995, Datuk Iskandar was once again tasked by the Ministry to establish another Malaysian diplomatic mission in the war-torn region in Balkan where he was responsible for the establishment of Malaysian Embassy in Sarajevo, Bosnia and Herzegovina. Malaysia is one of the few countries that participated in the implementation of the Dayton Peace Agreement in both military and civilian programs. He held the position of Deputy Ambassador and Head of Chancery until 1998. Datuk Iskandar returned to the Ministry of Foreign Affairs in 1998 and took up the post of Under Secretary in the ASEAN department from 1998 to 2000, whereby he represented Malaysia in many of the ASEAN meetings both within and outside the region.

At age 45 and in the year 2000, Datuk Iskandar was appointed as the Malaysian High Commissioner to Sri Lanka and Maldives. During his tenure in Sri Lanka, he was also elected as the President of the Colombo Plan Secretariat for the year 2005 presidency. It was a significant posting for Datuk Iskandar as during his posting, the government of Sri Lanka signed the peace accord with LTTE which brought an end to one of the longest civil war in history.

After serving 4 years in Sri Lanka, he was entrusted by the government to head the Malaysian diplomatic mission in the Philippines. He was appointed as the Malaysian Ambassador to the Philippines from 2004 to 2006. One of the most significant political events during his stay in Manila was the signing of the Peace MOU between the Government and MILF and the appointment of Malaysia as the Lead Country in the International Monitoring Team.

After 2 years in Manila, Datuk Iskandar was transferred back to the Ministry in Kuala Lumpur to take up the post of one of the three Deputy Secretary Generals. He was appointed as Deputy Secretary General of Management Affairs. Under his department, he supervised the Human Resource Division, Finance Division, Administration, Consular, ICT, Development, Parliamentary Affairs and Internal Audit. He also supervised the 115 Malaysian Mission abroad. The total annual operating and development expenditure was around RM800 million. He was elected as EXCO of the Malaysian Administrative and Diplomatic Association from 2006 to 2010.

In 2010 and at the age of 55, Datuk Iskandar was appointed as the Malaysian Ambassador to the People Republic of China and Mongolia. He served there for 5 years until his retirement age of 60 in 2015. During his stay in China, he had the opportunity to meet all levels of the Chinese leadership and travelled almost to all parts of China and Mongolia. He supervised the Malaysian Consulate General in Kunming, Shanghai, Guangzhou and Hong Kong. He also established the Malaysian Consulate General in Nanning. He actively participated in the celebration of the 40th Anniversary of Malaysia-China Diplomatic Relations.

In supporting China's setting up of the Asian Infrastructure Investment Bank (AIIB), Malaysia was amongst the 57 prospective founding members of the AIIB.

Datuk Iskandar represented Malaysia in the signing of a key framework agreement for the Asian Infrastructure Investment Bank in 2015, held in Beijing. Datuk Iskandar retired on 7th April 2015, after serving the Government for 37 years.

Datuk Iskandar currently sits as an Independent Non-Executive Director and Member of the Audit Committee in a public listed company – Complete Logistic Services Berhad since 8th April 2015. He is also a member of the Board and member of the Audit Committee of Perbadanan Perwira Harta Malaysia – a wholly owned subsidiary of Lembaga Tabung Angkatan Tentera Malaysia since June 2015. He is also fellow member of the Malaysian Institute of Defense and Security, Ministry of Defense since 2016.

In 2017 Datuk Iskandar was appointed as the Non-Executive Chairman of AEON (Malaysia). Consequently, he sits on Directors' Board of AEON-BIG (Malaysia) in 2018. He is also a member of the Board of Directors of Eversendai Corporation Berhad since 2018. Datuk Iskandar is revered the most in his post as the President of The Persatuan Muafakat One Belt One Road (OBOR) Malaysia an organization that promotes bilateral business development and investments between Malaysia and Peoples' Republic of China. Married to Datin Rahmah Mohd Lajis, and blessed with 2 grown up sons, Datuk Iskandar is a keen golfer. He continues to maintain his networking with Malaysia Civil Service, and member of the Alumni of the Malaysian Civil Service Association. He is also member of the Association of the Melaka Datukship. He was conferred with the Datuk title by the State Government of Melaka and Johan Setia Mahkota by His Majesty –The Yang Di Pertuan Agong. He was also awarded a Datuk title by the President of Philippines in 2006

He sponsors events organized by charitable organization such as the Red Crescent Society of Malaysia and World Vision; continues in creating businesses that served for betterment of humankind; proposes green technologies in treatment of water in rural areas especially in the state of Sarawak. He has vested great interests in promoting green environmental programs in which he strongly believes as a greater good for the future of mankind.

BOARD OF DIRECTOR

EXECUTIVE DIRECTOR

**MAJOR GENERAL DATO PAHLAWAN HJ
AHMAD NASIR HJ ABD RAHMAN (Retired)**

*Master of Management (Project Management) UNSW,
Australia*

Master of Arts (Defense Studies) UKM

*Master of Science (Strategic Studies) US Army War
College*

Diploma in Civil Engineering UTM

PROFESSIONAL EXPERIENCE

Major General Dato Pahlawan Hj Ahmad Nasir bin Hj Abd Rahman (Retired) had served for more than 40 years with the Malaysian Army. Born in Bagan Serai, Perak he had his early education in the prestigious Royal Military College (RMC), which enable him to be called a "*budak boy*".

His last appointment before retirement was as the Chief Engineer (CE) to the Malaysian Army Royal Engineer Corp. The CE's office is with the Army Headquarters at the Ministry of Defence (MINDEF). The CE which is a "two-star general" post is the highest ranking Engineer officer in the Corp, overseeing strategic planning, human resource development and training, assets management, implementation of policies and supervising of development and construction projects.

Prior to that, upon completion of the International Fellows Programme at the US Army War College (a one year course in 2016), Dato Hj Ahmad Nasir was appointed as the Director General (DG) of Defence Engineering and Services Division in the Malaysian Armed Forces Headquarters from 2017 to 2018. The DG is responsible for the planning and execution of infrastructure and construction projects for the Armed Forces and the maintenance of the Armed Forces camp.

Dato Hj Ahmad Nasir had the privilege to be appointed as the Director General (DG) of the Defence Geospatial Division, in the National Mapping and Survey Directorate (JUPEM). As head of the Division, the DG serves not only to JUPEM but acts as the "bridge" between JUPEM which is under the Ministry of Water, Land and Natural Resources and MINDEF for the co-ordination, implementation and requirement of geospatial services for the Armed Forces as well as other relevant agencies.

Prior to the above three significant appointments, Dato Hj Ahmad Nasir had served various Army Engineer units. He collected tremendous experiences such as overseeing the planning and development of the Army Combined Arms Training Centre, commanded Engineer units and managed assets assigned to the Army Field Command which includes the bridging, territorial Army and a nuclear, biological and chemical (NBC) squadrons.

Technical experiences include project management skills when he was the Superintending Officer (SO) of various MINDEF infrastructure and construction projects. Dato Hj Ahmad Nasir uses the opportunity to gain valuable experiences to enable him to coordinate and allocate resources including human resources, to plan and control of project funding, training and last but not least the ability in strategic planning to strategise organisation into achieving its goal and mission. Overall, Dato Hj Ahmad Nasir is able to lead organisation as well as perform consultancy and advisory roles.

SIGNIFICANT PROFESSIONAL EXPERIENCE

Dato Hj Ahmad Nasir has lead Engineer troops and element in the humanitarian disaster and relief operations. He was selected to be a member of the Malaysian military team stationed in Iraq, serving with the United Nations in United Nation Iran – Iraq Military Observer Mission (UNIIMOG). He deployed the Engineer bridging assets for the quick action plan to rescue residence during the Bukit Antarabangsa land slide disaster. He was very much involved in the planning and execution of infrastructure and housing projects in the National Blue Ocean Strategy (NBOS) programme and involved in the infrastructure and road projects in rural Sarawak areas.

Due to his vast experiences, Dato Hj Ahmad Nasir was selected by the government to be part of the team for the feasibility studies to Afghanistan prior to the deployment of the Malaysian element to support the International Protection Force under the International Support Operations (ISO) for Afghanistan.

He was conferred the Darjah Panglima Taming Sari (DPTS) which carries the title Dato' Pahlawan from His Majesty the Sultan of Perak in 2017.

REGISTRATION & LICENSE

LICENSE TO SUPPLY PRODUCT/SERVICE TO EXPLORATION AND OIL/GAS COMPANIES IN MALAYSIA

In exercising the powers conferred by Section 7, Petroleum Development Act 1974 and in accordance to Regulation 5 of the Petroleum Regulation 1974, delegated to me by the Prime Minister of Malaysia, I hereby issue the license under Regulation 3 of the Petroleum Regulation for the purpose of the above to:

Certificate generated at: 30.09.2021

OMNIWISE INTERNATIONAL SDN. BHD. . (357683X)
NO 46-1 JALAN WARISAN MEGAH 1/4 KOTA WARISAN 43900 SEPANG SELANGOR MALAYSIA,

Details of License are as follows:

Company's No	: 357683X
Type of Company	: License
Duration of License	: 21.05.2020 - 20.05.2023
License Fee	: RM 750.00
Categories of Product/Service	: As attached in 'CATEGORIES OF LICENSE / REGISTRATION'.

Special Conditions impose onto this license:-

Subject to the special conditions as attached.

General requirements of this License are as stated in the next page.

Reminder: License Must Apply For Renewal 4 Months Before The Expiry Date.

PETRONAS LICENSE GENERAL CONDITIONS

1. Company is required to register, obtain a license, permit or authorization from the relevant authority to carry out the services or supply of product or material used in company's operation and activities;
2. This license is not transferable to any company/other party;
3. This license will be revoked if the company is found to be in the process of liquidation, winding-up or dissolution;
4. Company shall inform PETRONAS on any changes related to company's position such as equity ownership, board of directors and management staff within **fourteen (14) days**. Failure to do so can result in revoke of License;
5. Company should take immediate action to adhere to the special conditions imposed as stated in the appendix of the PETRONAS license certificate and to inform PETRONAS on the progress of this action;
6. Company is not allowed to take another company as principal, agent, sub-contractor or otherwise to provide any service or supply of any facility, fittings or equipment on its behalf without prior written consent from PETRONAS;
7. Company shall allow PETRONAS representatives for inspection visit / site / company audit and review / copy of documents and interviewing employees and related parties;
- f. Sub-contract work to another contractor without written permission from PETRONAS.
- g. Reject any contract or tender awarded.
- h. Entering or accepting contract or tender during the license suspension period.
- i. Provide false, inaccurate or misleading information.
- j. Does not follow tender's regulations and ethics including but not only limited to sending poison-pen letters, bribing or lobbying.
- k. Engaged in any inappropriate activities with this License.
11. According to Act 9, Petroleum Acts 1974, a person who initiate or continue any business or continue providing services as mentioned in Act 3 without a license or do not comply with any condition of the license is committing a crime and can be fined not exceeding RM50,000.00 (Fifty Thousand Ringgit) or imprisonment for a period not more than two (2) years or both and in respect of each continuous crime, it is subject to further fine of RM1,000.00 (One Thousand Ringgit) for every one (1) day or any part of one (1) day which the offense continues after the first conviction is recorded;
12. This approval is not an agreement/guarantee that your company will be called to participate in a tender or quotation of PETRONAS or its subsidiaries;

REGISTRATION & LICENSE

8. This License must be shown to PETRONAS's officers when it is required for inspection;

9. This License is only valid for services and supply of products as stated in the appendix of the PETRONAS license certificate;

10. This company can be penalised if in PETRONAS' opinion, it has conducted one or more of the following;

- Failed to execute the award job until completion.
- Failed to perform a contractual obligation or any other obligation under the law to partners, principals, agents, sub-contractors and others.
- Received garnishee order.
- Facing bankruptcy action.
- Cannot be traced through the last address.

13. The company either by itself, through its employees, directors, agents or its employees;

a. Not allow to use the logo of the PETRONAS's oil drop or the word "PETRONAS" or use any mark, logo or words or wearing typeface, font, which resembles the appearance or colour trademarks owned or used by PETRONAS or its subsidiaries ("the PETRONAS trademarks") in any form whether in printing materials, websites or hand board; and

b. Not allow to perform any act or in any way either directly or indirectly admits that it is a partner or have any connection/relationship with PETRONAS and/or its subsidiaries, UNLESS AND EXCEPT company is allowed to use reference [Company] is licensed by PETRONAS [No. license], under Act 3 Petroleum Act 1974.

14. This License may be revoked, suspended or blacklisted at any time if any of the above conditions, general conditions of PETRONAS license and registration and any other conditions set in PETRONAS License and Registration General Guidelines are not fulfilled.
